

Rainy Night in Georgia

Hoverin' by my suitcase
Tryin' to find a warm place to spend the night
A heavy rains a fallin'
Seems I hear your voice callin'
“all right”

A rainy night in Georgia
A rainy night in Georgia
I believe, that it's rainin' all over the world
I feel, that it's rainin' all over the world

Neon signs a flashin'
Taxi cabs, and buses passin' through the night
The distant moanin' of the train
Seems to play a sad refrain, to the night

A rainy night in Georgia
Such a rainy night in Georgia
I believe, that it's rainin' all over the world
I feel, that it's rainin' all over the world

How many times I've wondered
It still comes out the same
No matter how you look at it or think of it
It's life, and we've just got to play the game

I shake the rain from my sweater
Take out your letters, to pass some time
Late at night when it's hard to rest
I hold your picture to my breast
And I feel fine

It's a rainy night in Georgia
Such a rainy night in Georgia
I feel, that it's rainin' all over the world
Lord I feel, that it's rainin' all over the world
